WE NEED YOUR SUPPORT

CATIE HOCH FOUNDATION

Teeing Off on Cancer Golf Classic is an annual mixed golf event that unites community members in the fight against cancer.

The Catie Hoch Foundation is dedicated to helping children while they are in treatment for cancer. Established seventeen years ago, the foundation has raised well over \$1 million. Far too many children in our area are being diagnosed with cancer. A child's cancer diagnosis is devastating and the strains on the family are enormous—emotional, physical and financial. Because we know first-hand what these families are going through, we are able to meet the needs that are not met by other means. So when a child in your community is diagnosed with cancer, the Catie Hoch Foundation can and does help by making mortgage or rent payments, paying for utilities, helping with insurance co-pays and “adopting” families during the holidays. Because we are an all-volunteer organization, every dollar raised goes to helping children, and their families, while they are in treatment, and supports research efforts to find a cure.

Over the last decade, *Teeing Off on Cancer* has raised more than \$425,000 for the fight against cancer. With those funds, we are spreading hope by delivering hands-on support and services to patients and loved ones, and saving lives by assisting in the funding of groundbreaking research.

This year's event is **Saturday, September 14th** at the beautiful **McGregor Links in Wilton, NY** and will benefit the Catie Hoch Foundation.

Come out and golf. Join us for the Fore and After Par-Tee. Be a sponsor. Give in kind. Send gifts for the auction or raffle. Anything that you can do will be a tremendous assist in our game winning shots to eradicate cancer from the lives of our loved ones.

Sincerely,
The Teeing Off on Cancer Executive Committee
