

Teeing Off on Cancer

15th Annual Golf Classic at McGregor Links

www.TeeingOffOnCancer.org

WE NEED YOUR SUPPORT

CATIE HOCH FOUNDATION

Teeing Off on Cancer Golf Classic is an annual mixed golf event that unites community members in the fight against cancer.

The **Catie Hoch Foundation** is dedicated to helping children while they are in treatment for cancer. Established over twenty-two years ago, the foundation has raised well over \$1.75 million for families in need. Last year we gave over \$ 100,000.00 directly to families in need. That includes the \$1,000.00 checks we send to new diagnoses, gas cards, supermarket cards, restaurant cards, Visa and MasterCard for holidays and Target gift cards for the patient to go holiday shopping. Our total overhead was \$ 186.00 and covered things like stamps.

To date, *Teeing Off on Cancer* has raised more than \$550,000 for the fight against cancer. With those funds, we are spreading hope by delivering support and services to patients and their loved ones.

When a child in your community is diagnosed with cancer, the **Catie Hoch Foundation** can and does help by making mortgage or rent payments, paying for utilities, gas, parking or other needs of the families. The Foundation helps with insurance co-pays and “adopts” families during the holidays.

This year’s event is **Saturday, September 10th** at the beautiful **McGregor Links in Wilton, NY** and will benefit the Catie Hoch Foundation.

Because we are an all-volunteer organization, every dollar raised supports our mission to help children n treatment for cancer.

Come out and golf. Be a sponsor. Give in kind. Make a donation. Send gifts for the auction or raffle. Anything that you can do will be a tremendous help.

Sincerely,

The Teeing Off on Cancer Executive Committee

CORPORATE PARTNERS WANTED

EVENT DETAILS – SEPTEMBER 10TH

We are constantly looking for local and national businesses that are willing to join us as we try to lessen the burden for families battling childhood cancer.

Golf Classic Ticket: \$125
